Notes:

* Tobacco industry funding includes funding from a manufacturer of tobacco products, the Tobacco Institute, Council for Tobacco Research, Center for Indoor Air Research, law firms or other interests representing a tobacco company to conduct research or provide consultation.

§ Relevant pharmaceutical industry relationships that are related to nicotine or smoking cessation products. Also relevant are for-profit companies that sell products relevant to tobacco control policies (e.g., educational materials, test kits, indoor air ventilation products).

¶ Examples of government agencies are U.S. National Institutes of Health, Agency for Healthcare Research & Quality, Centers for Disease Control and Prevention, state or local health department.

⌘ Private foundations that fund nicotine or tobacco control/smoking cessation research or programs. Examples are RWJF, American Legacy Foundation.

¹ Consultancy is defined a payment from an organization for providing advice or expertise on a topic.

² Honoraria are payments for making a presentation to scientists, clinicians, administrators, the press, etc.

³ Does not include ownership of mutual funds that may include stocks in these industries
