**Manuscript reference (eg. EJCTS/2012/333004):**

**Manuscript title:**

---

**Corresponding author**

Full first name and surname:

Signature:  Date:

Contribution to this study (check/highlight applicable items):

- Study design
- Development & methodology
- Collection of data
- Data analysis/interpretation
- Writing all/sections of the manuscript
- Manuscript revision
- Other, please specify

---

**Author 1**

Full first name and surname:

Signature:  Date:

Contribution to this study (check/highlight applicable items):

- Study design
- Development & methodology
- Collection of data
- Data analysis/interpretation
- Writing all/sections of the manuscript
- Manuscript revision
- Other, please specify

---

**Author 2**

Full first name and surname:

Signature:  Date:

Contribution to this study (check/highlight applicable items):

- Study design
- Development & methodology
- Collection of data
- Data analysis/interpretation
- Writing all/sections of the manuscript
- Manuscript revision
- Other, please specify
Author 3

Full first name and surname:

Signature: Date:

Contribution to this study (check/highlight applicable items):

- Study design
- Development & methodology
- Collection of data
- Data analysis/interpretation
- Writing all/sections of the manuscript
- Manuscript revision
- Other, please specify

Author 4

Full first name and surname:

Signature: Date:

Contribution to this study (check/highlight applicable items):

- Study design
- Development & methodology
- Collection of data
- Data analysis/interpretation
- Writing all/sections of the manuscript
- Manuscript revision
- Other, please specify

Author 5

Full first name and surname:

Signature: Date:

Contribution to this study (check/highlight applicable items):

- Study design
- Development & methodology
- Collection of data
- Data analysis/interpretation
- Writing all/sections of the manuscript
- Manuscript revision
- Other, please specify

Author 6

Full first name and surname:

Signature: Date:

Contribution to this study (check/highlight applicable items):

- Study design
- Development & methodology
- Collection of data
- Data analysis/interpretation
- Writing all/sections of the manuscript
- Manuscript revision
- Other, please specify
Author 7

Full first name and surname:

Signature: ___________________________ Date: ____________

Contribution to this study (check/highlight applicable items):

- Study design
- Development & methodology
- Collection of data
- Data analysis/interpretation
- Writing all/sections of the manuscript
- Manuscript revision
- Other, please specify

Other contributors
