Corrigendum

Corrigendum to: ‘Rate maximization and hyperbolic discounting in human experiential intertemporal decision making’ by Maayke Suzanne Seinstra, Manuela Sellitto and Tobias Kalenscher

Maayke Suzanne Seinstra, Manuela Sellitto and Tobias Kalenscher

Values in the ‘Block duration’ column of Table 1 have been updated to reflect the actual values used in the experimental tasks. This correction does not affect any of the presented analyses, results, main conclusions, or any part of the article outside Table 1.
