Erratum

Diversity of rhodopsins in cultivated bacteria of the family Geodermatophilaceae associated with non-aquatic environments

Sergey V. Tarlachkov, Taras V. Shevchuk, Maria del Carmen Montero-Calasanz and Irina P. Starodumova

Correction Details

Correction text: The first version of this article included two typographical errors in the caption of Figure 1. These have now been corrected online. The caption of Figure 2 has also changed to reflect the colours highlighted in the Figure. In the former version these were identified as bold, grey and black. These have now changed to green, yellow and blue respectively. The publisher apologises for these errors.
