On page 935 of the October issue (Benotti, J., et al., Determination of total iodine in urine, stool, diets, and tissue. *Clin. Chem.* 11, 932, 1965), two boxheads in Table 1 were reversed. The correct entries read as follows:

<table>
<thead>

<th></th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Added</strong></td>
<td></td>
</tr>
<tr>
<td><strong>Found</strong></td>
<td></td>
</tr>
