21st Annual Blood-Brain Barrier Consortium Meeting
March 19–21, 2015 Stevenson, WA

The 2015 Annual Blood-Brain Barrier Consortium Meeting will be held March 19–21 at Skamania Lodge in Stevenson, Washington. The focus of the meeting is translational research in neuro-oncology and the blood-brain barrier. The meeting is partially funded by a National Institutes of Health R13 grant, with support from the National Cancer Institute, National Institute of Neurological Disorders and Stroke, and National Institute of Deafness and Communication Disorders, and is organized in collaboration with the International Brain Barriers Society.

AACR Annual Meeting
April 18–22, 2015 Philadelphia, PA
http://www.aacr.org/Meetings/Pages/MeetingDetail.aspx?EventItemID=25#.VEVrGuefh7I

The AACR Annual Meeting 2015 will highlight the latest, most exciting discoveries in every area of cancer research and will provide a unique opportunity for investigators from all over the world to meet, interact, and share their insights. This year’s meeting theme – “Bringing Cancer Discoveries to Patients” – underscores the vital and inextricable link between discovery and treatment, and it reinforces the fact that research underpins all the progress we are making in the field toward cancer cures.

AAN Annual Meeting
April 18–25, 2015 Washington DC
